

Aberdeen Village Retail Center Remodel
Northlake Drive
Peachtree City, Georgia

Delivery Method: Design Build
Building Size: Square Feet
Proposed Use: Retail Renovation
Completion Date: June 1995

Description: The renovation involved adding a exterior skin of EIFS and parapet walls along the canopies, adding a covered patio and skylight, replacing column enclosures, and adding a deck on the back of the Sport's Grill and Bar. The original exterior was wood siding with wooden columns supporting the canopy.
