

**700 Westpark Drive
Peachtree City, Georgia**

Architect: Foley Design Associates
Client: Siemens, Inc.
Delivery Method: General Contractor
Size: 102,000 Square Feet, 3-Story
Planned Use: Corporate Office
Construction: Pre-cast architectural concrete panels with a conventional steel frame
Completion Date: Fall 1998

Reference: David Austin, Facilities Manager: "No matter what we asked of them, they found a way to incorporate our specific requirements into the overall design. When there were changes, we didn't have problems; we had cooperation."

Description: The building features a two-story glass curtain wall at the entrance and was designed to have an open spacious feeling throughout.
