

**Marietta Dermatology
Marietta, Georgia**

Service Provided: Developer
Size: 35,000 Square Feet
Planned Use: Medical Office
Completion Date: Early 2010

Details: The estimated \$9.5 million building is located directly behind the practice's existing office on Campbell Hill Street near WellStar Kennestone Hospital. The 35,000-square-foot office will have 24 exam rooms, four aesthetic rooms, four laser treatment rooms, eight Mohs surgery rooms and the practice's business office. The new facility, which is being developed by Group VI, should be open in early 2010.
