

Westridge Medical Office Building
70 Westridge Parkway
McDonough, Georgia

Interiors: Blue Fox Designs
Delivery Method: Developer and Contractor
Size: 11,600 Square Feet, 2-Story
Planned Use: Medical Office

Reference: Timothy J. Kaigler, G.D. "Elliott Cutler was the project manager and was very responsive to our needs and requests throughout the project. Carl Heidle was also very actively involved (as superintendent) and has been exceptionally helpful and responsive to our inquiries and requests. Also, Jason Pace, as a representative for the company was very professional, courteous, and supportive. As always, it was a pleasure doing business with Group VI."
