Size: 18,496 Square Feet, 2-Story
Planned Use: Classroom, Office, and Retail
Construction: Structural steel with brick and pre-cast concrete exteriors
Completion Date: November 2008
Reference: Mr. Jim Williams, City Manager
770-969-2853

Phase 1 includes two 18,000 square foot classroom buildings, which serves as the South Atlanta Campuses for both Georgia Military College and Brenau University; two 2,000 square foot retail buildings and an 11,400 square foot administration building, which serves both as the administrative center for the college as well as the City of Fairburn's main activity center.

Phase 2 of the project includes two additional 14,400 square foot classroom buildings. The first education building was completed and occupied by Georgia Military College in November, 2008. The second was completed for Brenau in August of 2009.
