

Griffin-Spalding Development Authority
109 East Solomon Street
Griffin, Georgia

Architect: Cropsey & Associates, Inc.
Client: Griffin-Spalding Development Authority
Delivery Method: General Contractor
Planned Use: Municipal Renovation
Completion Date: 1998

Description: This facility is located in downtown Griffin and was a total renovation of an existing building. Group VI created a new entrance off the courtyard and added a new storefront to improve the streetscape.
